

SRA 2017

RISK ANALYSIS

The Profession · The Practitioners · The Research

December 10 - 14 · Arlington, VA

Plenary Session
Pamela Williams

Risk Analysis:
An Obsolete Profession?

Risk Analysis: An Obsolete Profession?

NO . . .

- But within SRA membership we are loosing ground
- We need to figure out why and how to improve our standing

Want to Learn More or Pursue Work in Field?

Why Not Risk Analysis?

- Boring class?
- Didn't learn anything?
- Field not very important or interesting?
- Don't understand what risk analysts do?

Why Not Risk Analysis?

- Wrong tool for the job?
- Won't answer question of interest?
- Field have bad reputation?
- Don't understand risk assessment and what can do?

Where Go From Here?

- Identify source of problem
 - Lack of understanding?
 - Lack of interest?
- Implement solutions
 - Better training?
 - Better selling?
